MR. AND MRS. LeGRAND HAVE 50th ANNIVERSARY

On Sunday afternoon, November 30, the sons and daughters of Mr. and Mrs. William Josiah LeGrand honored them with a reception in observance of their fiftieth wedding anniversary in the spacious social hall of Liberty Baptist Church in Appomattox. It was beautifully decorated with gold chrysanthemums and roses.

The table was covered with a white open-work linen cloth and the centerpiece was a large three-tiered cake iced in white with gold trim. It was flanked on either side with a gold compote holding a colonial arrangement of yellow rose buds and gold caldelabra with white candles. Mrs. J. Owen Carson, of Concord, assisted by Mrs. Joseph Phelps, of Raleigh, N. C., poured the coffee. Mrs. Luther B. LeGrand, of Lynchburg, served the cake, and Miss Annie Hancock, assisted by Mrs. Douglas S. Kelley, of Lynchburg, and Mrs. Douglas Mason, of Rice, presided at the punch bowl. The time of his death, he was senior the guest register.

One hundred and twenty-five relatives and friends enjoyed this festive occasion. Many out-of-town and out-of-state guests were present. They were welcomed by a receiving line consisting of the celebrants and five of the attendants at their wedding: Miss Emma Smith, Mrs. Claude W. Smith and Luther J. Morris, all of Appomattox, and Mrs. Drury R. Green and Dr. A. W. Drinkard, Jr., of Raleigh, N. C.

Mrs. LeGrand, the former Lula Drinkard, wore a blue crepe dress with a scalloped lace yoke and sleeves with matching bolero. Her flowers were gold rosebuds. Each attendant wore a gold rose corsage or boutonniere.

The seven children of Mr. and Mrs. LeGrand were present: Mary Ann LeGrand, Lynchburg, Va.; Mrs. Lester C. Furney, Clearwater, Fla.; T. E. (Ned) LeGrand, Appomattox, Va.; Mrs. Robert L. Carter, Wellesley, Mass.; Mrs. Forrest L. Yeakley, Richmond, Va.; Alfred A. LeGrand, Boydton, Va.; and Walter H. (Boots) LeGrand, of Appomattox. Three of their six grandchildren were present.

About The Home

By Frances Dell

To most of us there is no more delightful fragrance in the world than the smell of freshly-made coffee when you first open your eyes in the morning. Nowhere is this more true than in and around the city of New Orleans.

The Creoles say that an early cup of coffee lengthens the span of life, and indeed this does seem to be true for many of us. It seems to tone you up for the day.

If you ask an old Creole lady how to make good coffee, her answer will be somewhat involved. She will tell you that first you must select some good coffee — a blend of Mocha and Java is best. The coffee beans must be of an even size, so that in parching the small beans do not burn or the large ones be left unparched. She will suggest that you parch just enough coffee for one day. When the beans are an even brown color, grind, and then make your coffee.

In this day of rush and push, there is not time for this just to produce a perfect cup of coffee. Indeed, most of us use the instant type coffee, because of its convenience. Already lost much of its aroma before you start.

If you use a drip or perk type coffee pot, you must make sure that the pot is perfectly clean and has been well dried. See that the inside of the pot, and the spout, is free, everyday, from the substance which forms on it.

Put into your pot a heaping tablespoonful of ground coffee to each cup of water, and the old rule of one-for-the-pot for good measure.

A delightful coffee drink that is an example of the many different ways it is possible to serve coffee, is Cafe Parfait.

Crush in a cloth bag one pound of ice and add to it two quarts of cream. To this add three cups of essence of coffee, made twice as strong as usual coffee. Sugar to taste, and mix by shaking thoroughly. Serve in fifteen minutes, in tall glasses.

.Health and Beauty

Most homemakers know that one of the most important items in a healthy diet is sufficient protein. The main source of protein is meat, and since meat is the most expensive single item on the food budget, we try to cut corners in this department.

This is all right if you are cutting corners in the proper way — a way that will not deprive you and your family of the needed amounts of protein in your daily diet. But, if you are concocting dishes filled with starch and vegetable substitutes, you are not doing your job as you should.

It is true that the soaring meat prices have been a great worry to most of us. However, have you explored the possibilities of the comparatively low - cost meats, such as heart, brains, kidneys, tongue and sweetbreads? This is fine solution if the family has, or is willing to acquire, a taste for these so-called specialty meats.

Take the example of beef liver and calf liver. Beef liver is admittedly less delicate in taste and texture than calves liver. But it is also less expensive, and just as high in the important minerals and proteins. A pound of beef liver costs about 65 cents, while a pound of calf liver costs about $1.50. Sauted in thin slices and seasoned with garlic and sage, its deficits will all but disappear.

Calfves' brains with scrambled eggs are delicious and easy to fix. It would be hard to find a dish that would bring more good protein for your family, and the cost is most reasonable.

It consisted of several kinds of tropical fruits, sugar, wheat meal, spices, oil and honey, all collected by the Egyptian housewife.

In modern America, the housewife may walk into a bakery or grocery store and buy a delicious fruit cake of almost any size,

and with a minimum of effort. And the cake she buys is the finishing touch for the best meals to be served during the holiday.

THE MOST BEAUTIFUL WEDDING OF THE YEAR

They're married in style and luxury! The Thunderbird and the new Ford Galaxie.

Announcing
THE NEW FORD Galaxie
Just Married in Style to the Thunderbird!

It's the newest and most exciting of all the 59 Fords—the elegant new Galaxie. A bright new personality in cars—and more. The Galaxie is a full "fine car" 6-passenger expression of Thunderbird grace, spirit, style and luxury in an altogether new line of Fords. The Galaxie, as you'll quickly see, is as wonderfully all-the-way Thunderbird as a low-price Ford can be.

True, Ford owners are accustomed to luxury—and at the low Ford price. But never in any Ford—nor in cars costing far more—have you seen anything as sweet, smart and glamorous as this! Come see Ford's new Galaxie today . . . and bring the entire family.

Reception now—you are invited. You are cordially invited to come and see the Galaxie and the very full measure of elegance it brings to the low-price field.
